Allison, Dorothy - *Bastard Out of Carolina*

Engrossing. Young girl is abused by stepfather. Not really same ilk as McCullers, et. al., but very good nevertheless.

Bartlett, Neal - *Ready To Catch Him Should He Fall*

Canin, Ethan - *Blue River*

Author of *Emperor of the Air*. Engrossing stories.

Hurston, Zora Neale - *And Their Eyes Were Watching God*

Ivins, Molly - *Molly Ivins Can't Say That, Can She?*

Sarton, May - *After the Stroke*

Tan, Amy - *The Joy Luck Club*

Very intricately woven narrative of four Chinese women and their daughters. Insightful regarding American racism without being didactic. Love "The First Chinese Baptist Church." How American can you get? Novel ends with one voice that seems to unify all the women's voices.

Tan, Amy - *The Kitchen God's Wife*

A young narrator begins the novel. Then her mother picks it up, telling of her early life in China. Harrowing, beautiful story of war-time China.

Tartt, Donna - *The Secret History* (first reading)

*The Faber Book of Gay Short Fiction* - (Edmund White, ed.)
